Wolfgang Freitag Memorial Two Person 50K Team Time Trial

Herscher, IL 10 July 2011

MATTS, Mid America Time Trial Series - ROTY, Rider Of The Year event

A good breeze from the south and with it Hot temperatures had an effect on the riders, their speed and finish times. The few teams that race a 2nd time had especially difficult time with overheating. Roads were in very good shape, except just before turn 3 with a small few holes. Brain Harris & Mike Heagney scorched the course with the fastest time, a 1 hour 6 minute ride. Kelli Richter & Chantil Ruud had a great ride posting fastest women time 1 hour 19 minutes.

Thanks for coming out to race, see you next year in the air conditioned TT 25k race course. May we all dream.
